Becoming a Chapter of Michigan Audubon

Thank you for your interest in joining our network of chapters throughout the state of Michigan! We rely on our chapters, members, and donors to help support, promote, and fund efforts in conservation, education, and research, including: land acquisitions, habitat protection and restoration, advocacy and outreach work, bird-friendly programs, statewide and local events, programs, our young birders camp, and more.

Michigan Audubon and National Audubon Society -- what’s the difference?

Michigan Audubon, incorporated in 1904, is a year older than National Audubon Society. While we work with National Audubon in support of bird conservation, Michigan Audubon is an independent 501(c)3 and the state’s oldest conservation organization with dozens of both bird sanctuaries and chapters throughout the state. Our chapters, also independent from National Audubon Society, exist in communities statewide in order to support and extend our mission of conservation, education, and research.

According to Michigan Audubon’s Bylaws, ARTICLE VIII, CHAPTERS:

Section 1 Any group of persons residing in a particular area and having the same purposes as MAS may apply for recognition by the Board as a chapter of Michigan Audubon.
**Section 2** Each chapter shall be organized with elected officers and Bylaws setting forth policies and procedures. The Bylaws of each chapter shall not be in conflict with the Bylaws of Michigan Audubon and shall be approved by the MAS Board.

The Bylaws of each MAS chapter must contain clauses essentially the same as those contained in Article II, Sections 2 and 3 of the MAS Bylaws, and the following clause:

“This chapter, or its officers or Board shall not enter into any commitments binding on MAS without written authorization from the latter. In like manner, MAS shall make no commitments binding on this chapter without its written consent.”

**Section 3** Each chapter shall enjoy such privileges as may be provided for in these Bylaws or by the Board of Michigan Audubon. Chapter status once granted shall continue as long as the chapter continues to meet the requirements as outlined in Sections 1 and 2 above and such other requirements as may be established by the Board.

**Section 4** Each chapter reserves the right to terminate its MAS chapter status on six months’ notice, given in writing, to the MAS Chairperson, with reasons for the termination. In like manner, MAS reserves the right to terminate a chapter status on six months’ notice given in writing to the chapter president, stating the reasons for termination. In the event that chapter becomes inoperable or dissolves, the termination shall be effective as of the date determined that the chapter no longer functions.

**Section 5** Each chapter can nominate a person to serve as Regional Representative. The members at large, via publication in the JPW, will vote one Regional Representative from each of the six regions. The Regional Representative will serve for a 3-year term. They shall take office March 31 subsequent to election.

Additionally, at least **10 members of the chapter should be members of Michigan Audubon.** In order to vote in Michigan Audubon board elections, members of chapters should also be members of Michigan Audubon.
